TWO *easy* things will satisfy mankind,
 An *easy* fortune and an *easy* mind ;
 But the *one* thing that gives a man content,
 Is a *good* conscience from a life well spent.

An effectual Method to destroy Barberry Bushes.

TAKE a small chain with short links, and lay it on the ground round a bunch of bushes, then lay one of the hooks across the chain, and draw it as snug as you can with your hands about the bush close to the ground, then put on a sufficient team to bring it up by the roots at once.—If this be done in the months of October or November, it will never fail to finally exterminate them.
